

BIO.

Paul Infante Moñozca chairs the Moñozca Family Office and the board of trustees of the award winning Moñozca Foundation. He was responsible from developing the F.O. and foundation with its roots in the central Philippines to a leading global philanthropic organization since 2003 now based in Monaco, France.

He has been credited as the architect of the world's first cross border fund transfer system using Automated Teller Machines (ATM's) in the 1990's with various multi-national banks. Presently, he is the founder of one of the world's leading philanthropic funds based in Europe which has evolved into a private-sector led Universal Basic Income (UBI) platform with combined assets exceeding €10Billion, participated in by a consortium of family offices with the advocacy to cushion the advent of "Singularity" to protect Humanity.

His most challenging investment today which is linked to the UBI platform is a "Continuity of Conscience (COC)" protocol which enables humanity to transfer it's thought process to meta humans and avatars with a multitude of applications including security, banking, media and especially for the space exploration and travel industry.

His business and philanthropic interests based in the United Kingdom (UK), European Union (EU), United Arab Emirates (UAE), Singapore and the Philippines include the Formula Green Corporation (Renewable Energy), Bangko Maharlika Ltd. (Decentralized Banking), Avatar Ark Artificial Intelligence Ltd. (A.I.), Coral World Park Undersea Resorts Ltd. (Resorts & Family Entertainment), Bargain Bay Membership Shopping UK Ltd., (online outlet mall), Hacienda Pacita Philippines Inc. (Agriculture) and Parmon Group Holdings Inc. (Property).

Other recognitions he has received in his career include serving as guest speaker in key summits in Switzerland (Nov 2022), Dubai (Jan 2022), Singapore (June 2022) and Malaysia (October 2022) attended by family offices, financial institutions, sovereign wealth funds and monarchies in recognition of his advocacy on addressing 'Technological Singularity' and the need for a Universal Basic Income (UBI) to protect humanity.

Other awards and recognitions include efforts with the Philippine Embassy in Singapore for his support in promoting Small & Medium Enterprises (SME's) for returning OFW's (2000) ; the Rotary Club of Suntec City (Singapore's Silicon Valley) as guest speaker for philanthrocapitalism (2002) ; Singapore's Laguna National Golf Club for charitable contributions (2005) ; the 24th South East Asian Games for his support in the training of the Philippine National Basketball Team (2007) and Oracle Corporation's (USA) Global Partner Award (2000).

He was awarded the “Sporting Singapore Inspirational Award” in 2006 by the Singapore government and the Singapore Sports Council for his patronage and charitable contributions in sports in the lion city. He also currently serves as Chairman of the American Basketball Association Global (www.abaglobalgames.com) in the United States since 2010 and is also a patron of the Formula One, Polo, Golf and Yachting events.

He has been a member of the American Chamber of Commerce and the British Chamber of Commerce in Singapore and is a member of the Forbes conference circle since 2005. He has also taken the leadership role of the Official Maharlika Association (OMA), one of the world’s largest “identity & cultural preservation” movements and is also the global ambassador for BPUR International, which advocates the International Treaty banning the use of Religion for political purposes, represented by key religious leaders, diplomats and has a reach in over 60 countries worldwide.

He was included in the gold edition coffee table book, “Who’s Who Of The World” alongside 100 illustrious dignitaries featured from the top 50 countries worldwide whose work has had a tremendous impact on humanity. He was also conferred an Honorary Doctorate in Humanities (honoris causa) from Universidad Azteca in Mexico.

Prior to becoming an entrepreneur, Paul has worked for Singapore based companies such as Quaker Oats (Gatorade), Siemens (handling it’s sponsorship for Music Television (MTV) & the McLaren-Mercedes F1 Team), Andersen Consulting and PricewaterhouseCoopers Consulting / Banking & Capital Markets / Corporate Finance / Deals.
